The Chapel and Music Building will support our most important missions, and enrich our opportunities for communion and spiritual growth on a smaller, more intimate scale. Gifts of all levels to make these buildings a reality are and will be greatly appreciated. The "purchase" of a Chapel Chair or a Choir Chair, for instance, provides a wonderful opportunity to honor a family member or friend, or a loved one no longer with us, as a recognition plaque will be affixed to each chair according to the donor's wishes. Gifts of \$5,000 and more received by September 1, 2006 will be included on the Donor Wall located in the Trotter Chapel's Foyer.
